the

3rd National Research Conference on Arts, Science and Health

Theme: *“Evolving Culture of Innovation Towards an Ethical Knowledge-Based Society”*
Venue: Nature’s Village Resort, Talisay City, Negros Occidental

Important Dates:

Conference Date: October 16-18, 2018

Abstract Submission Deadline: August 15, 2018

Objectives:

The conference aims to gather young academicians; experienced and accomplished professionals and educators in various fields of arts, sciences and health from different regions of the country. As a national framework for the exchange of knowledge, ideas and best practices, the Conference promotes the importance of credibility, competence and collaboration among fellow researchers.

The goal of the Conference is to provide the participants with an avenue to share the findings of their research undertakings that would impart greater opportunities for the community to implement the systems or methods that will be found suitable and appropriate to their respective workplaces. Developing new ideas and key educational concepts would also be the product of the conference for advancing new knowledge with an enhanced creativity and originality in arts; designing innovative techniques in science, agriculture and fisheries and discovering different medical procedures in health services for sustainable economic development through research and innovation.
